The Strategic Defense Initiative (SDI) advisory panel was authorized in an FY 84 or 85 DoD authorization bill and established under the auspices of the Senate Armed Services Committee currently chaired by Barry Goldwater.  Mr. Casey will be receiving a formal letter from the Chairman requesting the Agency brief the panel on Soviet SDI efforts. Based on the cast of characters, it would not be wise to attempt a briefing lower than the SI/TK level. Even at this level Mr. Gershwin may receive questions surpassing the given classification level.  I will keep you informed on the progress.
